MISSION FOCUS

This month's Mission Focus is the Sri Lanka Mission team. This team of Pastor Dae Hoon Kim, Angela Kim, Eunice Hahn, and Julie Kim served in the predominantly Buddhist country of Sri Lanka in June during one of the most tumultuous times of civil unrest in the country's history. Shortly after their departure, the government collapsed and Sri Lanka remains in crisis. Today we welcome Eunice Hahn as she shares her trip testimony and the incredible ways God is still at work in Sri Lanka.

RUN FOR WATER

Join the World Vision LA Marathon and change lives by running to give clean water for those who need it most. Get healthy, build community, and make a worldwide impact. More details during and after worship.

Renewed

Our Core Values 

FALL SERIES

We're excited to begin our next series in mid-September, focusing on our unique mission as a church and your place in our ministry to one another, the community, and the world.

Renewed will use the biblical principles of our core values, a spiritual gift assessment, and the spiritual markers in the book *Organic Disciples*. Together we'll discover a life continually renewed through the love of Jesus.

Organic Disciples books are available for purchase today after the service.

MESSAGE REFLECTION QUESTIONS

- When you think about the Holy Spirit, what is the picture that comes to your mind and why?
- Read 1 Corinthians 5:17. Paul declares that we are new creations because of Christ. How does this encourage and challenge you?
- The bible is clear that God alone is good and God gets to define what "good" is. Are there places in your life that are not "good"? How can the Holy Spirit help you realign with how God defines "good"?
- Read about the Fruit of the Spirit in Galatians 5:22-26. What aspects of the fruit do you identify with in both healthy and unhealthy ways? As a group, talk about ways in which you can grow in those places that are lacking.
