LIFE TOGETHER

It's been a great summer worshipping together again! Please continue to reserve the back section of seats closest to the reception desk for those who wish to wear a mask during the service. Thank you so much!

CROSSPOINT COMMUNITIES: NEW SMALL GROUPS LAUNCHING THIS FALL

We're excited to launch several new small groups this fall, thanks to an amazing response by those who are willing to lead and have a heart for living intentionally with others. Being part of a small group can help you find a space to belong and meaningful relationships. In daily life of everyday tasks, joys, struggles, and simply being human, it's significant to have a group of people to walk with, share stories, and help you stay true to your faith walk with Jesus. It's been said that we learn in rows, but we grow in circles. That's what these small groups become...circles of friends who journey together. Join us this fall as we grow new friendships and deepen our journey with God.

MINISTRY FAIR AND LUNCH NEXT SUNDAY

Next Sunday, you will be able to see all of our ministry opportunities in one place at the ministry fair! Each ministry will have a table and you can go through the fair to learn more.

This year, we want to challenge you to look for a place to

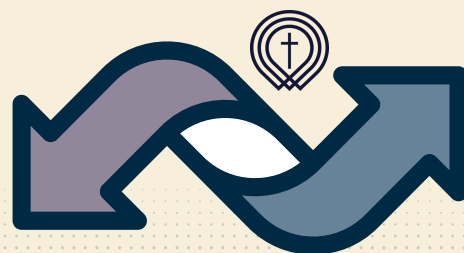

SERVE and a place to

ENGAGE in growing your faith as we

RENEW our community life together.

We are confident that God will do great things through you and for you in this ministry season. The ministry fair will be located in the courtyard and a picnic lunch will also be served.

We can't wait to kick off the new ministry year with you!
