A special welcome to our Cadet families here today from the community. We are so glad you're here and that your boys are in Cadets!

THE STORY

READ THE STORY.
EXPERIENCE THE BIBLE.

In Chapter 17 of The Story, we see that Jeremiah had good reason to weep, but God has the remedy to wipe tears away and He will do the same for you. You can put your trust in God and His word.

CROSSPOINT CADETS

Today we celebrate what God is doing in the lives of the 85 boys who attend Cadets on Wednesday nights. CrossPoint has hosted a Cadet program since the church's founding in 1969 and almost half of our Cadets are from the surrounding community.

WHAT WE DO

Helping boys grow more Christlike in all areas of life.

The goal of the Cadet Corps is to help boys to grow spiritually in all areas of life. This happens through mentorship from Christian men within a uniquely designed structure, program, and materials for mentoring. Boys and their counselors work side by side on Bible lessons, Christian service projects, outdoor activities (camping, cycling, hiking, canoeing, and more), and working on merit badge projects in a wide range of interests and skills.

THIS YEAR'S THEME

God's In Control

"Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you." Joshua 1:9 Throughout the year, Cadets are encouraged to spend time reading and exploring the Bible.

Pastor Charlie Wang

we devote bible app

A member of the CrossPoint Chinese congregation is the founder of the WeDevote Bible app in the Mandarin language. Since launching, it has become popular worldwide. The Chinese congregation is currently using the app to do the 1-year bible reading plan together. Last week, Pastor Charlie joined a video call meeting today with team members in China that helped build the app. He specifically encouraged and prayed for them as they face hardship and persecution for their participation in the app development. Please join us in prayer and thanksgiving for these brothers and sisters who are fulfilling the call to spread the gospel no matter the cost.

Statistics to celebrate:

- there were 1.4 million new users in 2021
- app usage per device each day is 22 minutes
- 30 chapters of the bible are read per second on WeDevote; that's 1800 chapters per minute
- 230,546 people have completed Bible devotionals in 2021

- What was something you read in the weekly Scripture passages or heard in the sermon that made an impact on you? Explain.
- In the sermon we talked about King Josiah. How was his reign different from his father, grandfather, and great-grandfather? What patterns of previous generations do you want to change?
- Why do you think the Lord disciplined Israel and Judah? What do you sense the Lord saying to you about this example in relation to your life?
- Read Jeremiah 2:11-13. In the sermon we used the visual of “broken cisterns.” What “idols” you are pouring into your life in your search for meaning, security, happiness, etc.?
- Read Ezekiel 37:1-14. Describe a time when your life seemed hopeless. What does the prophet say makes a difference? What are the promises of God you need to memorize?
- How will you apply the sermon and readings to your life this week?
