# QUESTIONS WORTH ASKING

Our world is full of questions, and there are many competing answers. What does God's word say about the things in our culture and our every day lives?

This summer we're giving insights rooted in scripture to the questions you've asked, as together we earnestly seek God to renew our community and world for Christ.

4. Engage in the \_\_\_\_\_ system with \_\_\_\_\_. *Deuteronomy 1:13*
5. \_\_\_\_\_ and \_\_\_\_\_ the next generation. *Judges 2:10-11*

*But our citizenship is in heaven. And we eagerly await a Savior from there, the Lord Jesus Christ. Philippians 3:20*

- o Where do you see evidence of our American culture today moving away from the Lord?
- o Read Romans 12:1-2. What is the warning of this passage? What is the solution?
- o In the sermon we talked about five ways to respond to our culture as it moves away from the Lord. What are the five? What would you add (with biblical support)?
- o Read Philippians 3:15-21. What are the challenges brought by this passage? How does it relate to our Sunday question?
- o In the sermon we talked about speaking the truth in love when in disagreement with our culture. How might this be an effective way to bring change?
- o In the sermon we talked about educating and training the next generation. How might this impact our culture in the future? How are you engaging with this challenge? How can we be more effective as a church in training the next generation?
