STORIES OF FAITH IN THE OLD TESTAMENT

NOVEMBER 12, 2023 | 9:30 AM WORSHIP

Some of the greatest stories of faith come from God's chosen people in the Old Testament. What can we learn from these men and women who were earnestly seeking God? Walk with us as we capture snapshots of faith from the great cloud of witnesses and the lessons we can learn from them today.

CARRYING ON THE VISION

Investing in the next generation to be equipped for ministry

CrossPoint Church was established with a vision for future growth, and our current spaces were completed in 2005 with plenty of room to grow. We've been exploring if now is the time to carry on the vision for expanding our walls and ministry!

Last Sunday, the congregation voted on the motion to move forward in the process for a new ministry building. The vote was passed by an overwhelming majority of members (96%) of all three congregations. We are thankful for this vision for future ministry; thank you to all who voted and who submitted initial pledges.

We're excited to see what God will do in the next phase of Carrying On The Vision as those inside and outside our church prayerfully consider giving towards this building project.

The Vision campaign begins today and runs through December 31. Pledge cards and boxes for completed pledges are located in the Vision Center and the reception area. Pledges can also be made online at crosspointchino.org/pledge.

Have questions or need to get caught up? Learn more or ask questions at the Vision Center in the Connection Cafe every Sunday or visit crosspointchino.org/vision.

See the Old Testament in a new light as Bible teachers Matt and Ryan walk through the layers of meaning that can be found in the historical and cultural context of this ancient text.

This conversational, informal Sunday school class will focus on the stories of the Old Testament with insights from the original Hebrew Bible and what we can learn from it. Find deeper meaning in the Scriptures by studying the books that are foundational to the whole story of the gospel.
