One church

CrossPoint is one church with three congregations. We seek unity in our diversity as we use our God-given resources for the Kingdom. On Sundays, our Chinese congregation worships in Mandarin and our Korean congregation worships in Korean and English.

Today, it is our joy to worship together in all three languages and to celebrate communion together! As brothers and sisters in Christ, we strive to love one another well as we partner in sharing the gospel with our community and beyond.

Communion Sunday

We celebrate communion together today, the sacrament in which we remember the Lord's sacrifice and renew our commitment to be united with Jesus and His Church. Communion should only be received by those who believe in Christ and trust in Him for the complete forgiveness of sins. Elements are passed during the service. Packaged elements may be received near the tech booth prior to worship. Communion Sunday is also our family service and children are in worship with us today!
