Bible Study in the
Worship Center

We're excited to launch a new series today! Together we'll experience Scripture like never before and read 70% of the Bible chronologically during this series.

After worship, join Pastor Lon Wagner at 11:00 am to delve deeper into Scripture using The Story video teaching as a guide for discussion. Childcare is available for this Bible study, and at-home worshippers can also participate on Zoom.

Don't have your copy of The Story yet? Get yours today in the lobby after the service.

MISSION FOCUS OF THE MONTH

Talking Bibles' mission is to serve God by producing audio recordings of translated Scriptures in hundreds of languages and to make these recordings accessible in the form of solar powered Talking Bibles.

There are over 1 billion people in the world who cannot read—more than the entire population in the Western Hemisphere! Our strong conviction is that everyone in the world needs access to the Bible, including marginalized non-readers. A Talking Bible allows non-readers to hear God's Word in their native language and enables them to become believers, grow in faith, and share their faith.

- Read Genesis chapter 1. What do you learn about God from these verses? What difference should this make in your life?
- Read Genesis chapter 3. What do you learn about God? What do you learn about people? What do you learn about sin? How should this impact your life?
- In the sermon we talked about how sin has “marred our humanity.” Where do you see evidence of this in your own life? If you are a Christian, how has Jesus begun healing this?
- Read Genesis 2:15. What does this verse say to you about our responsibility for creation?
- How will you apply these passages to your life this week?
